Meeting Minutes

Title: **Internship Day-5**

Attendees:

Futurense Technologies - Akash Das

Jain University – AI and DE

Objective:

- Gain proficiency in using MySQL Workbench, a graphical tool crafted for streamlined database administration.

Agenda:

- Installing and navigating through MySQL Workbench.
- Importing a database into MySQL Workbench.
- Exercising SQL queries with MySQL Workbench.

Key Takeaways:

- **Installation and Exploration of MySQL Workbench:**
Included the installation steps and explored the diverse features of MySQL Workbench.

- **Importing Databases:**
Acquired understanding of importing databases from local systems into MySQL Workbench.

- **Practicing SQL Queries:**
Engaged in honing SQL query skills through the MySQL Workbench interface.
